## ESTEEMED WEALTH ADVISORY FIRM MAKES ITS MOVE

### New Headquarters Enhance Client Experience

Canonsburg, PA, December 20, 2017— Formerly affiliated with Ameriprise Financial, the now independent Registered Investment Advisory (RIA) firm of Braun-Bostich & Associates, Inc. (BBA) has moved and expanded its workplace footprint. All this in keeping with its decades-long commitment to serving clients well.

*“Reflecting on our journey, I am grateful that BBA made this transition to a Fiduciary model. As Fiduciary, BBA works directly for its clients. Unlike the broker/dealer model, we receive no commissions, no bonus money for selling insurance products or for hitting any other production hurdles. We work tirelessly for our clients to create a better future for them & their families—a future transformed by wealth.”* —Amy Braun-Bostich, CEO-Braun-Bostich & Associates, Inc.

As complement to its spacious new facility at 1600 Ashwood Drive, Suite 1601, Canonsburg, PA 15317 and the firms segue to independence, Braun-Bostich & Associates has also deployed leading edge tools and technology—further enriching the client experience. The firm understands the strategic importance of keeping pace with digital innovation and offerings. Offerings that allow their advisors to have more client-facing time than ever is imperative to win, serve and retain coveted client relationships.

At Braun-Bostich & Associates, our goal is to help each client build confidence in their future, be their advocate, and help them express their wealth in a way that enhances their life and the lives around them. Our trusted group of advisors are constantly striving to bring more knowledge and strategies to the table, with one goal in mind... *Your success!*

*“We have a passion to do the right things and that has made all the difference for our clients”*
