

CLELAN CORNER

Featuring Zachary Weigl, Financial Advisor

How did your financial services career begin?

I started my career in New York City, working on the New York Stock Exchange for a securities firm, before transitioning to a premier Fortune 500 global investment manager. There, I crafted portfolios and fixed-income solutions for advisors across the country. After marrying my high school sweetheart last year, I returned to the Harrisburg area and am thrilled to be a part of Clelan and Company. I am passionate about making a meaningful difference in people's lives and am grateful for the opportunity to build lasting relationships with our clients and provide exceptional service. I am pursuing my Certified Financial Planner (CFP®) designation, reflecting my commitment to continued professional growth, expanding my industry knowledge, and delivering greater value to our clients and our team.

What are some of your favorite hobbies?

I love skiing, cheering on my favorite sports teams (the Pirates, Penguins, and Steelers), and traveling with my wife. As an avid skier, I am blessed to have had opportunities to explore destinations across the country, including Whistler Blackcomb, Park City, Utah, and numerous ski resorts throughout Colorado. Traveling with my wife is another passion of mine. Last year, we honeymooned in Italy and England, and have enjoyed exploring other destinations around the world together. Next on our travel bucket list are France, Greece, and Montana.

Do any of your interests overlap?

Absolutely! Since I love both sports and traveling, I hope to attend a game at every stadium across the four major U.S. professional sports leagues: MLB, NHL, NBA, and NFL. A friend of mine set out to visit every Major League Baseball stadium in the U.S. As someone who enjoys setting ambitious goals, I decided to take the challenge a step further and expand it to all four leagues! I have traveled across the country and am getting closer to seeing them all, with only seven MLB, eight NBA, 12 NHL, and 12 NFL stadiums remaining. My favorite stadiums so far are PNC Park, home of the Pittsburgh Pirates (MLB); Climate Pledge Arena, home of the Seattle Kraken (NHL); Golden 1 Center, home of the Sacramento Kings (NBA); and Lambeau Field, home of the Green Bay Packers (NFL). If you have a favorite stadium or travel destination, I would love to hear your recommendations!
