SEC Registration does not imply a certain level of skill or training.

Benchmark Financial Wealth Advisors is an independent advisory firm providing wealth guidance, investment management, financial planning and qualified retirement plan services. We counsel individuals, families and business owners on an ongoing basis by serving as an advocate for our clients, providing objective advice and comprehensive guidance across all aspects of our clients' financial lives.

Benchmark Financial is not a broker dealer and does not offer tax or legal advice. Please consult your tax or legal advisor for assistance regarding your individual situation. Investment Advisory Services offered through Benchmark Financial Wealth Advisors LLC, an SEC Registered Investment Advisor. Fixed insurance products offered through

Benchmark Financial Insurance Advisors LLC. Benchmark Financial Wealth Advisors LLC and Benchmark Financial Insurance Advisors LLC are separate entities. Additional information about Benchmark Financial and our advisors is also available online at www.adviserinfo.sec.gov.

Any opinions expressed on a document, website or any social media forum are the opinion or view of the author and these opinions are subject to change at any time without notice. The content is developed from sources believed to be providing accurate information. We believe the information contained to be reliable and have sought to take reasonable care in its preparation; however, we do not represent or warrant its accuracy, reliability or completeness, or accept any liability for any loss or damage (whether direct or indirect) arising out of the use of all or any part of this material. Any information provided is general informational only and is intended for your personal use and should not be circulated to any other person without our permission. Any use, distribution or duplication by anyone other than the recipient is prohibited.

We do not make any representation or warranty with regard to any computations, graphs, tables, diagrams or commentary in this material which are provided for illustration/ reference purposes only. These views, opinions, estimates, and strategies expressed constitute our judgement based on current market conditions and are subject to change without notice. Any comments or postings are provided for informational purposes only and does not represent an offer of or a solicitation for advisory services or a recommendation. Readers should conduct their own review and exercise judgment prior to investing and should carefully consider their own investment objectives and not rely on any post, chart, graph or marketing piece to make a decision. No portion is to be construed as an offer or solicitation to buy or sell a security, or the rendering of personalized investment advice. The views and strategies described may not be suitable for all investors and are subject to investment risks. The information contained should not be relied upon in isolation for the purpose of making and investment decision.

Any projected results and risks are based solely on hypothetical examples cited, and actual results and risks will vary depending on specific circumstances. Investors may get back less than they invested, and past performance is not a reliable indicator of future results. Data is based on our research and should not be taken as a forecast or an estimate of likely future returns. Any reference to a market index is included for illustrative purposes only, as an index is not a security in which an investment can be made. Forward looking statements should not be considered guarantees or predictions of future events. Investments are not guaranteed, involve risk, including potential loss of principal; diversification alone cannot guarantee against loss. The value of any investment may fluctuate as a result of market changes. Past performance is no guarantee of future results, and there can be no assurance the investment strategies discussed herein will prove profitable. Investments are not suitable for all types of investors. More complete information is available, including product profiles, which discusses risks, benefits, liquidity and other matters of interest.
