## **DISPUTE RESOLUTION**

If a dispute arises under this Agreement, we encourage you to first contact your investment adviser representative, and then our home office to resolve it. If those discussions do not resolve the matter, then the dispute will be resolved by entering into mediation with a third party mediator acceptable to both of us. If mediation does not resolve the matter, the parties agree to settle by arbitration any controversy between them that arises out of this Agreement or any related transactions contemplated hereby between the parties. Arbitration can be a more efficient and cost-effective method than litigation to resolve disputes.

Such arbitration will be conducted in San Diego, California by a panel of three arbitrators (the "Panel"). Arbitration shall be conducted by, and according to the American Arbitration Association® commercial rules then in effect. Arbitration may be initiated by serving or mailing a written notice to the non-initiating party.

The parties acknowledge the following with respect to this arbitration clause:

- (a) Arbitration is final and binding;
- (b) Each party is waiving their right to seek remedies in court, including a right to a jury trial;
- (c) Pre-arbitration discovery is generally more limited than and different from court discovery proceedings;
- (d) The Panel's award is not required to include factual findings or legal reasoning and any party's right to appeal or to seek modification of rulings by the Panel is strictly limited;
- (e) The Panel must include at least one arbitrator who was or is affiliated with the securities industry.

Any award the Panel makes will be final and judgment on it may be entered in any court having jurisdiction. The prevailing party shall be entitled to reasonable attorney's fees together with any costs and expenses from arbitration.

This arbitration agreement shall be enforced and interpreted exclusively in accordance with applicable federal law, including the Federal Arbitration Act. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.

You understand that nothing in this Agreement modifies any rights you may be afforded under California laws, including the right to choose arbitration or adjudication to resolve disputes.

## **OTHER SERVICES**

You acknowledge that we do not and will not practice law or accounting when providing advice to you or in the preparation of a financial plan. You understand that none of the Fees paid under this Agreement relate to accounting or legal services and that it is your responsibility to obtain accounting or legal advice if necessary.

## **ERISA ACCOUNTS**

You represent that we have been furnished true and complete copies of all documents establishing and governing the plan and evidencing your authority to retain us. You will furnish promptly to us any amendments to the plan, and you agree that, if any amendment affects our rights or obligations, such amendment will be binding on us only when agreed to by us in writing. If ERISA or other applicable law requires bonding with respect to the assets in the Account, you will obtain and maintain, at your expense, bonding that satisfies this requirement and covers us and our affiliated persons.
