

Comfort and Joy

Holiday Greetings from the Pine Haven Team!

With heartfelt gratitude for our shared journey and many blessings, we're supporting these organizations this year:

No Kid Hungry - a national campaign to end childhood hunger.

World Central Kitchen - a team of food first responders.

Women United - supporting women & children in the Greater New Bedford area.

May this festive season be filled with comfort, love, joy, and laughter. We are looking forward to working together in the New Year.

In Gratitude,
Paige, Casey & Stacey
Pine Haven Investment Counsel
