

Client Agreement

This agreement describes the terms and conditions regarding the financial planning services that we, G-Squared Advisory LLC, will provide to you.

SERVICES TO BE PERFORMED

We will provide you with financial planning and investment services tailored to your needs. Generally, you will request advice on specific financial/investment issues, and if it is within our capabilities, we will gather the necessary data, perform the applicable analyses and provide you with the desired advice. Advice will normally be delivered in writing, but it may be verbal. The decision (if, when and how) to implement our recommendations is entirely yours. If requested, we will assist you with the implementation process.

SERVICE LIMITATIONS

We will not evaluate any insurance contract, nor will we provide detailed property and casualty, health, long-term care, or liability insurance analyses. We will not prepare tax returns or provide advice regarding tax law. We will not prepare legal documents or provide legal advice. You should look to other professionals for these services. Additionally, we will not take custody of your assets nor will we assume discretionary control over your investments.

FEE STRUCTURE

Our fee is \$300 per hour. Hourly fees are prorated in half hour increments. You will be given a fee range estimate for all projects. Generally, fees are payable when the advice is delivered to you. However, we will invoice you monthly if the advice is provided in small increments over a period of time. Legal, investment, insurance and/or accounting fees that you might incur as a result of implementing our recommendations are not included in our fee.

DISCLOSURES

We are not associated with any financial services company, and you are free to select any financial services company you desire to implement our recommendations. We are not aware of any conflicts of interest at this time. If a conflict should arise, we will disclose it to you at that time.
