

NORTHLANDING
Financial Partners, LLC

Valued Clients & Friends,

We hope you & your families are happy & healthy. We have been eagerly anticipating a return to “normalcy” and are finally seeing the light at the end of the tunnel. All employees of NorthLanding are now fully vaccinated, and we are encouraged by the rate at which our community is getting vaccinated. Here are a few updates:

Visiting our office:

In accordance with CDC & NY State Department of Health guidelines, we are allowing all vaccinated clients, guests & staff to remove their masks when entering our building & suite. Those who are unvaccinated must continue to wear a mask, and those who are vaccinated but would prefer to wear a mask are encouraged to do so.

As an essential business, our office has remained open throughout the pandemic. Though our technological infrastructure has served us well, we are happy to begin holding in-person meetings more regularly.

June Document Disposal Event:

Please stop by our office on Monday the 14th or 21st, or Friday the 18th or 25th from 9:00am to 12:00pm for secure disposal of any outdated, sensitive documents. We were unable to hold this event in 2020 and are excited to bring it back this year!

We would like to remind you that we are always available to you, as our client & friend. Please do not hesitate to reach out to anyone on the NorthLanding team at any time. We will keep you informed as we all work towards returning to business as usual.

Best,

NorthLanding Financial Partners, LLC
