Item 4: Other Business Activities

Mr. Thompson is a licensed insurance agent. In such capacity, he offers fixed insurance products to clients and receives normal and customary commissions and trails as a result of any purchases of insurance products made by clients. The potential for receipt of commissions and other compensation gives him an incentive to recommend insurance products based on the compensation received, rather than on the client's needs. To address this, disclosure is made to the client at the

time purchase is made, identifying the nature of the transaction or relationship, the role to be played and any compensation (e.g., commissions, trails) to be paid by the client and/or received by the insurance agent. He will at all times act in the best interest of his clients and act as a fiduciary in carrying out services to clients. It should be noted that the client is under no obligation to purchase insurance products through Mr. Thompson.

Item 5: Additional Compensation

Mr. Carter has additional business activities where compensation is received as detailed in Item 4 above. This compensation is in addition to the advisory fees.

Item 6: Supervision

Mr. Thompson is supervised through a compliance program designed to prevent and detect violations of the federal and state securities laws. Supervision is conducted by the Chief Compliance Officer, Brittany Culver, who is responsible for administering the policies and procedures. Brittany Culver reviews those policies and procedures annually for their adequacy and the effectiveness of their implementation. All policies and procedures of the firm are followed. Brittany Culver can be reached at (517) 347-4337.
