

**INDUSTRY LEADING FINANCIAL
PLANNING FIRM AND EXPERTS IN GROUP
BENEFITS WITH MORE THAN
20 YEARS EXPERIENCE**

Who We Work With:

Beacon Financial has been dedicated to working with more than 400,000 public servants for over 10 years through law enforcement agencies, fraternal organizations and municipalities across the country. **In New York, we work with the Police Academy and Police Plaza, providing educational and consultative services to Executives, to all Members of Services, School Safety Division and Civilians.**

We provide the following organizations and their membership with exclusive benefits, retirement and financial planning seminars, individual consultations, marketing support and access to advisors at no cost.

- **New York State Fraternal Order of Police**, which includes approximately 20,000 active, retired and associate members.
- **Florida Fraternal Order of Police**, that includes more than 20,000 members.
- **Illinois Fraternal Order of Police**, representing more than 33,000 members.
- **Pennsylvania Fraternal Order of Police**, representing approximately 42,000 members.

What We Do:

Attend national, state and local Fraternal Order of Police (FOP) lodge meetings and conventions, squad and precinct meetings, quarterly trainings and more to provide financial education, including retirement planning, asset management, insurance review and more. Additionally, Beacon Financial communicates regularly with its clients through e-mail and direct mail to keep them information about financial trends and topics, as well as new products and resources.
