Disclaimer

Rx Wealth Advisors, LLC's ("Rx Wealth") website, including downloading, printing or storing any website content, is exclusively for Rx Wealth Advisors, LLC's clients and potential clients. Any reproducing or editing by any means, mechanical or electronic, in whole or in part, without the express written permission of Rx Wealth is strictly prohibited and subject to prosecution under U.S. and International copyright and trademark laws.

As a preceding condition to accessing Rx Wealth's website, each client, prospective client or unaffiliated third party agrees to release and forever hold harmless Rx Wealth and its related persons, including its officers, directors, owner, employees and agents, from any and all adverse consequences resulting from any actions taken by the website user and/or omissions which are not related to receiving Rx Wealth's individual counsel.

Website Disclosure

Rx Wealth is a Pennsylvania state registered investment adviser. Rx Wealth may only transact business in Pennsylvania and in those other states in which it is registered or qualifies for an exemption from registration. For Rx Wealth's registration information, please contact the SEC or the state securities regulators. A copy of Rx Wealth's ADV is available upon written request.

Rx Wealth's website is for general information purposes only and is believed to be current. Moreover, the website may contain third-party investment-related or other financial planning, tax information, hyperlinks, charts, graphs or publications. Therefore, any client and/or prospective client should not interpret Rx Wealth's website as soliciting, attempting to effect securities transactions or rendering any personalized financial planning or investment advice for compensation over the Internet. Only an advisor registered or exemption from registration in the state where the client or prospective client resides shall have direct communication and discussions about specific financial matters.

Any opinions on this website are solely those of Rx Wealth, unless otherwise specifically stated. All opinions or other published items on the website reflected the author's judgements on the publication date and may not be relevant today. Neither Rx Wealth nor any other information provider shall be liable for any errors or omissions regardless

of the cause. In no way, does Rx Wealth make any warranty (express or implied) or guarantee regarding the timeliness or lack thereof or the accuracy of the information, whether it is hyperlinked to or incorporated within the website, that is prepared by us or any unaffiliated third party. Therefore, Rx Wealth assumes no responsibility for the information.

Moreover, no client or prospective client should assume that any information, quote, chart, posting, article, publication, discussion or hyperlink on the website serves as, or substitutes for, receiving Rx Wealth's or other professionals direct, personal advice. Rx Wealth is not legal counsel nor a certified public accountant; therefore, none of this website's content should be interpreted as legal, accounting or tax advice. While Rx Wealth does not guarantee that any strategy, tactic or method discussed on the website will be successful, prior to implementing anything on this website, clients or prospective clients shall be discussed in detail with a properly licensed Rx Wealth advisor, and independent accountant or their legal counsel.

Investment Disclosure

This website may contain stock quotes, charts, discussions, publications, articles of or access to Rx Wealth's, other organizations or professional's investment philosophy, asset allocation or other recommendations as of specific date. Please note these are for informational purposes only and may not reflect Rx Wealth's or the other's current investment philosophy, asset allocation and/or recommendation(s) due to a variety of factors.

All investments have a potential risk of loss. Different types of investments involve higher or lower levels of risk, and there can be no guarantee that future performance of any specific investment or investment strategy (including those Rx Wealth undertakes or recommends), will be suitable or profitable. Additionally, there is no assurances given that a portfolio will match or exceed any benchmarks or indices. Finally, asset allocation and diversification will not necessary improve an investor's performance or eliminate the risk of investment loss.

Confidentiality and Security

We restrict access to nonpublic personal information about our clients and prospects to those employees and agents who need to know that information to provide products and services to our clients and prospective clients. We maintain physical, electronic and procedural safeguards to protect our prospects and clients' nonpublic personal information. We respect and value that you have entrusted us with your private

financial information, and we will work diligently to maintain that trust. We are committed to preserving that trust by respecting your privacy as provided herein.

We never disclose, unless required by law, your information to any unaffiliated third party and do not anticipate ever doing so. Additionally, the law will require us to notify you and obtain consent to disclose.
