

WISDOM SESSION

Why, Why Not, Why Not Now

“Do you want to know who you are? Don’t ask. Act! Action will delineate and define you.”

- Thomas Jefferson

Why? Why should you try? It’s a good question. Ask yourself, why get up that early, why work that hard, why read that many books, why make that many friends, why go that far, why earn that much, why give that much away, why put yourself through all those disciplines? Why....it’s an excellent question. The best answer I know to the question “why?” is the second question to ponder.

Why not? What else are you going to do with your life? Why not see how far you can go, how much you can earn, or read, or share? Why not see what you can become, or how far you can go? Why not? You have to stay here until you go. Why not?

Why not now? Why postpone your better future any longer? Get at it today. Get some new books, make a new plan, set a new goal. Ask some new questions. Lock on to a new resolve. Make a new effort and do it all now.
