When we review a legal or disciplinary event involving the advisor to determine whether it is appropriate to rebut the presumption of materiality, we consider all of the following factors: (1) the proximity of advisor to the advisory function; (2) the nature of the infraction that led to the disciplinary event; (3) the severity of the disciplinary sanction; and (4) the time elapsed since the date of the disciplinary event. If we conclude that the materiality presumption has been overcome, we prepare and maintain a file memorandum of our determination in our records.
