Tips for smooth account access:

1. Log in at voyaretirementplans.com

First time logging in? Select Register Now to create your account. You will need the Personal Identification Number (PIN) you received in the mail to register and view your account online. **For assistance**, please select Need Help for answers to frequently asked questions.

2. Create or update your profile with a username and password

TIP: If your username or password aren't working — first, try *Forgot Username* and second, try *Forgot Password*.

3. Set up an account recovery method and you're ready to go

TIP: You'll need to have access to your mobile device or email to retrieve your access code. If you're logging in with a trusted device, consider registering it to avoid needing a code at every login.

*Your plan statement can be a valuable resource to help you manage your retirement savings and stay on track as you move toward your financial goals.

You can view your current and previous plan statements anytime by logging into voyaretirementplans.com and clicking Statements and Documents. **If you prefer to receive paper copies of your statements, log in to your account and select My Profile to change your Communication Preferences.** You may also update your Communication Preferences or receive a paper copy of your most recent statement for no additional cost by contacting Voya's Retirement Readiness Service Center at (800) 584-6001.
