### **ITEM 4 – Other Business Activities**

The financial advisor is engaged in offering insurance and insurance products as an insurance agent. A portion of his time each week is dedicated to insurance and insurance sales, and he can earn commissions when acting in this separate capacity. This creates a conflict of interest as there is an incentive to recommend insurance products based on commissions received. CFS addresses this conflict of interest through disclosure and adherence to its Code of Ethics.

### **ITEM 5 – Additional Compensation**

Outside of his ordinary compensation earned from his position with CFS, as described in Item 4 above, Mr. McManus receives normal and customary commissions for the sale of insurance products in his capacity as an insurance agent with various life, health and disability insurance companies.

### **ITEM 6 – Supervision**

Your financial advisor's activities are supervised by one or more individuals working in the financial advisor's office and/or a member of CFS' supervision team. The supervisor provides ongoing training and support to your financial advisor and answers questions about providing financial planning or investment advice to clients. The supervisor also reviews the financial advisor's activities through CFS' client relationship management system, business submission reviews, e-mail monitoring and correspondence reviews. The person responsible for supervising the financial advisor's advisory activities, Matthew Rothchild, Chief Compliance Officer, at 319-329-5351.
