RETURN FORM TO THE LABOR RELATIONS & BENEFITS DEPARTMENT

Anoka-Hennepin School District 11

403(b) Instructions – Traditional and/or Roth

To set up or change your 403(b) voluntary contributions or district match amounts, you need to fill out and return the attached Salary Reduction Agreement. You can make changes at any time throughout the year; you do NOT have to wait for Open Enrollment. **A vendor signature is required for any new account – including adding a Roth 403(b) with the same vendor you have used in the past.**

Please fill out the Salary Reduction Agreement completely. Include the following information:

1. **403(b) SERVICE PROVIDER:** Chose one or more of the four district approved service providers. Be sure to set up your account with the company prior to sending your forms to the payroll department. A financial advisor or vendor representative can help you set up your account. **Please note: For all new Roth accounts, a service provider signature is required.**
2. **Employee Contribution:** Enter the dollar amount you want contributions to be per payday. If you work less than 12 months, your deductions are taken over 20 pay periods. If you are a 12-month employee, your deductions are taken over 26 pay periods.

Example: \$2000 over 20 pay periods is \$100 per pay period.
\$2000 over 26 pay periods is \$77 per pay period

3. **District Match:** If you meet the eligibility requirements to participate in the 403(b) matching program, the District will match your per payday contribution up to the amount for which you are eligible. If you wish to opt out of the District match, be sure to enter NO in the designated column
 - your per payday match will not exceed your per payday deduction amount
 - your per payday match will not exceed the maximum eligible per payday match amount for your position

The Salary Reduction Agreement needs:

1. Your printed name
2. Your signature and date of signature
3. The last 4 digits of your Social Security Number. (for identification purposes)
