**Investing involves risk.** Asset allocation strategies do not assure a profit and do not protect against loss. References to specific securities and their issuers are for illustrative purposes only and are not intended and should not be interpreted as recommendations to purchase or sell such securities.

Past performance does not guarantee future results.

Actual client accounts may hold up to 2% in cash.

Total Client Fee(s) will vary. Fee percentages are determined based off the client/advisor relationship.

Please reference the Client Advisory Agreement for fee percentages specific to your arrangement.

\*Weighted average expense ratios refer to the expense ratios of the holdings and do not take into account the Total Client Fee.

Partner Series Portfolios are developed based on model portfolios provided by BlackRock. BlackRock's role is limited to providing non-discretionary investment advice in the form of model portfolios. BlackRock is not responsible for determining the securities to be purchased, held and sold for your account(s), nor is BlackRock responsible for determining the suitability or appropriateness of a Partner Series strategy or any securities included therein.

BlackRock's role is limited to providing your Advisor with non-discretionary investment advice in the form of model portfolios in connection with its management of its clients' accounts. The implementation of, or reliance on, a Managed Portfolio Strategy is left to the discretion of your Advisor.

BlackRock is not responsible for determining the securities to be purchased, held and sold for your account(s), nor is BlackRock responsible for determining the suitability or appropriateness of a Managed Portfolio Strategy or any securities included therein. BlackRock does not place trade orders for any Managed Portfolio Strategy account. Information and other marketing materials provided to you by BlackRock concerning a Managed Portfolio Strategy - including holdings, performance and other characteristics - may not be indicative of a client's actual experience from an account managed in accordance with the strategy.

Investing involves risk. Information concerning portfolio allocations and holdings is representative of the model portfolio for this strategy and does not necessarily reflect an actual account. Actual portfolios may differ as a result of account size, client-imposed investment restrictions, the timing of client investments, market, economic and individual company considerations. Futures and options may not be used in the portfolio to create leverage or for any other reason.

Past performance does not guarantee or indicate future results. Further, individual investor performance may vary due to differences in fee arrangements and the timing of capital market transactions. All investments involve risk, including possible loss of all, or a substantial portion of, the principal amount invested. Specific risk factors associated with this strategy include, but are not limited to, market risk and interest rate risk.
