

## **Financial Advisor Magazine Recognizes Investec in 2019 RIA Ranking**

---

Investec Wealth Strategies is excited to announce that we have been included in Financial Advisor Magazine's 2019 RIA Ranking, which lists the top Registered Investment Advisor (RIA) firms in the country.

This is the first time Investec has been named on this list. RIA firms complete a survey for consideration, based in part on total assets under management as of prior year-end. No fees are required of independent advisory firms that are surveyed by Financial Advisor Magazine for the RIA Ranking.

***"We are humbled by this recognition by Financial Advisor Magazine and realize it's built on the trust and loyalty from our clients and the dedication of our team," says Daniel Gcott, Principal.***

Investec Wealth Strategies was founded over 35 years ago by John Gcott, Founding Principal. As of December 31, 2018, Investec has six advisors with a combined experience of over 150 years in the business, and manages over \$532 million in assets. Investec offers retirement planning, investment management, estate planning, insurance planning, education funding, income tax strategies, and advice for clients' "next generation," as well as 401(k) fiduciary services.
