

COVID-19 UPDATE

FEBRUARY 2021

During the current COVID-19 pandemic, the health and safety of our clients and employees remains our primary concern. Marquette employees will continue to work remotely through April 2021 at a minimum. While we have suspended in-person meetings at our office during this time, we will continue to be available by video conference, phone, and/or email.

We will provide an update on our expected return to the office and in-person meetings later in the year. Please take care and reach out to us if you have any questions or if we can be of assistance in any way.
