Other Business Activities**A. Registered Representative of Kestra Investment Services, LLC**

PAUL CAYLOR is a registered representative of Kestra Investment Services, LLC, a FINRA member broker-dealer ("Kestra IS"). Clients may choose to engage PAUL CAYLOR as a registered representative of Kestra IS, to implement investment recommendations on a commission basis.

1. Conflict of Interest

PAUL CAYLOR roles as both an Investment Adviser Representative and as a Registered Representative of a broker-dealer present a conflict of interest. If PAUL CAYLOR recommends a purchase of a securities commission product and the product is purchased through Kestra IS, PAUL CAYLOR will earn a commission on the purchase. At any time, a client may purchase recommended investment products through other, non-affiliated broker dealers. A client is under no obligation to purchase any commission products through PAUL CAYLOR .

2. Commissions

In the event a client chooses to purchase investment products through Kestra IS, Kestra IS will charge brokerage commissions on the securities transactions, a portion of which will be paid to PAUL CAYLOR as applicable. PAUL CAYLOR brokerage commissions may be higher or lower than those charged by other broker-dealers. In addition, in connection with mutual fund purchases, Kestra IS and PAUL CAYLOR may also receive additional ongoing 12b-1 trailing commission compensation directly from the mutual fund company during the period that the client maintains the mutual fund investment. PAUL CAYLOR securities commission business is separate and apart from Kestra Advisory Services, LLC investment management services discussed in Kestra Advisory Services, LLC Brochure.

B. Other Business Activities Not Addressed in A.

PAUL CAYLOR does not have other business activities to disclose.

Insurance Statement

Our Advisors offer variable insurance products and fixed indexed annuities through our affiliate, Kestra Investment Services, LLC. Our affiliate and Advisors receive compensation in connection with such transactions. To the extent our Advisors offer non-variable insurance products (whole life or universal life insurance, for example) other than fixed indexed annuities, our Advisors are acting in their individual capacity as an insurance agent independent from our companies and are paid commissions directly by the insurance carrier or a brokerage general agency (BGA) through which the product is placed. Certain BGAs pay our affiliate insurance agency a portion of the commissions associated with non-variable insurance products placed by our Advisors through the BGAs. We are not responsible for sales and services of insurance products conducted through these other companies. The recommendation to purchase a commission- based product presents a conflict of interest because commission amounts vary and could incentivize our Advisors to recommend products paying higher commissions.

Additional Compensation

PAUL CAYLOR may offer a wide variety of securities products and financial services through our firm. The commissions, fees and other forms of compensation paid to an Advisor in connection with the purchase or sale of products will be in addition to the fees paid by you for investment advice.

Kestra makes loans to Advisors which may be forgivable based on years of service with Kestra AS or its affiliates, assets under management, the amount of production with us or our affiliates or some combination of these factors. This practice creates a conflict of interest since the Advisor has a financial incentive to recommend a client engage Kestra AS for advisory services, engage Kestra IS for brokerage services, and to recommend additional products and services in order for their loan to be forgiven. Please contact me directly for more detailed information regarding my specific loan arrangement.

Supervision

We have adopted a system of compliance and supervision we believe is reasonably designed to oversee the activities of our Advisors in accordance with applicable law. We assign supervisors to oversee the activities of our Advisors conducted through our company. The designated supervisor of an Advisor may vary from time to time. Frank Weldon manages the department responsible for monitoring the activities of our Advisors and may be contacted at 844-553-7872 should you have any questions or concerns regarding your Advisor.
