

The Problem: Your business is doing well but you lack clarity on acquiring or selling real estate related to your operations.

DAVE'S PERSPECTIVE

Dave is a 40+ year commercial real estate veteran. He is also an accomplished business coach and an expert in strategic messaging and business planning. He has significant experience acquiring large commercial real estate properties and advises the firm and its clients on the real estate markets, commercial transactions and other complex business issues. David holds an AB in chemistry and an MBA in Real Estate & Finance from Harvard Business School.
