Item 3 - Disciplinary Information

Registered Investment Advisors are required to disclose all material facts regarding any legal or disciplinary events that would be material to your evaluation of each supervised person providing investment advice. No information is applicable to this item.

Item 4 - Other Business Activities

Robert Overman is a registered representative of Triad Advisors, LLC (“Triad”), Triad as broker-dealer and your Advisor will be compensated on the normal and customary commission schedule for general securities business. Clients should be aware that these services involve a possible conflict of interest, as commissionable products can conflict with the fiduciary duties of a registered investment advisor.

In the capacity as a registered representative, one may receive distribution or service (“trail”) fees from the sale of certain mutual funds (including money market funds pursuant to a 12(b)-1 distribution plan or other such plan as compensation for distribution or administrative services which are distributed from the fund’s total assets). These fee arrangements will be disclosed upon request of a client and are available in the applicable fund’s prospectus.

Robert Overman may also recommend that clients invest in securities issued in an initial public and/or secondary offerings (“new issues”) for which an affiliate, Ladenburg Thalmann & Co. Inc., (“LTCO”) acts as a manager, underwriter and/or a member of the selling group. The recommending of these security activities presents a conflict of interest for several reasons. First, LTCO receives all or a portion of the gross spread – the difference between the price that the client pays for the security and the price that LTCO purchases the security for -- in connection with such sales. This gross spread is generally 7%, but may be higher or lower in connection with certain offerings. Your Advisor generally receives a portion of this compensation as a broker-dealer representative of Triad. In addition, LTCO has a substantial interest—both financial and with respect to its reputation—in assuring that the offering is successful by having a large number of the securities purchased. Finally, in connection with certain offerings, LTCO has an obligation to purchase and resell a certain number of securities. Thus, because of the affiliation with LTCO, your Advisor has incentives to recommend investments in these offerings for these reasons, rather than based on a client’s needs. To address these conflicts, Triad has policies and procedures in place to make sure that securities in initial public offerings are recommended only to

clients for whom they are suitable given the client's investment objectives and assets. In addition, clients are generally given transaction specific disclosure prior to the client's decision to invest in such securities.

Thus, Robert Overman will receive more compensation if the client purchases certain investments, such as mutual funds, private funds or new issues that pay fees to Triad. Clients may also open brokerage accounts with Triad, which are not advisory accounts and Triad would receive compensation in connection with trades executed in these accounts. Your Advisor has a conflict of interest and an incentive to recommend investment products based on the compensation received rather than on a client's needs.

Your representative can have an incentive to join and remain affiliated with Triad Advisors, LLC ("Triad"), a broker/dealer, through certain compensation arrangements that could include bonuses, enhanced pay-outs, forgivable loans, and/or business transition loans. The forgiveness is not tied to any amount of securities transactions made by Representatives with Triad or assets held in advisory accounts with Triad or any other custodian but does require the Representatives to maintain broker-dealer registration with Triad. Receiving such compensation is considered a conflict of interest. We encourage you to review this ADV closely and discuss any potential conflicts of interest with your representative.

Registered Investment Advisors are also required to disclose all material facts regarding any other business activities that would be material to your evaluation of each supervised person providing investment advice.

Robert Overman is also licensed to sell life and annuity insurance products through various insurance carriers, and will receive compensation for the sale of such products. Your Advisor may recommend the purchase of insurance products in connection with advisory services. Clients are under no obligation to purchase insurance products through any particular insurance agency or advisor. This license creates a potential conflict of interest because your Advisor will receive compensation in connection with the sale of insurance products when acting as insurance agent in connection with the sale. This compensation may vary depending on the product; more information about your Advisor's compensation in connection with a particular product is available upon request.

Robert Overman is an investment adviser representative of Triad Advisors, LLC, a registered investment adviser. Robert Overman operates under Overman Capital Management. Overman Capital Management is not a separately registered investment adviser and is a business entity only providing support services to Robert Overman acting as an investment adviser representative of Triad Advisors, LLC. Checks for investment products should only be made payable to National Financial Services or directly to the product sponsor company. Investment checks should never be made payable to your investment adviser representative or his/her business entity.
