

Graduate Financial Advisor

Biograph Wealth Advisors is a leading wealth management company based in Dublin 2. Our clients are typically high net worth individuals such as business owners, entrepreneurs, medical professionals and some of Ireland's leading sports professionals. Intentionally small, we operate at the forefront of investment theory whilst delivering a best-in class wealth management experience to our clients.

We're excited to launch our Graduate Financial Advisor Programme — a structured, hands-on pathway designed to transform ambitious graduates into successful Financial Advisors.

We are looking for individuals who are curious, collaborative and want to assist the firm in achieving great outcomes for our clients. Our aim is to empower you, to shape your own career and drive future business success in Biograph.

The programme commencement date is **September 2026**.

Activities:

As a graduate, the role will be varied within a structured programme, with progression to a Financial Advisor role on completion. Below is an overview of the career pathway:

- First 6 months – Client Services Associate

You will work closely with our advisor and leadership teams, supporting client reviews, preparing documentation, liaising with providers, assisting with regulatory requirements, and helping deliver an exceptional client experience.

- Next 6 months – Client Services Executive

You will take on greater responsibility, manage direct client communications, support investment, pension and protection processes, and further develop your technical, organisational and relationship management skills.

- Progression – Financial Advisor

Upon successful completion of the programme, you will progress into a Financial Advisor role with continued mentoring, training and professional exam support.

Essential Knowledge and Skills:

- We are seeking ambitious graduates who are curious, collaborative and eager to build a long-term career in financial advisory
- It is a requirement to study for the QFA Diploma over the first 12 months and subsequently the CFP
- Strong Leaving Certificate points or equivalent
- Third level qualification in a relevant discipline
- Excellent written and verbal communication skills
- Strong attention to detail and organisational ability
- Confidence to work independently while contributing as part of a team
- A genuine interest in wealth management, financial planning and client service
- Proficiency in Microsoft Word, Excel and Outlook

What We Offer:

- A clear, structured pathway to becoming a Financial Advisor
- Hands-on experience working directly with advisors and clients
- Exposure to pensions, investments, protection and wealth planning
- Support for professional development and industry qualifications
- A collaborative, supportive and high-performance team environment
