

### **Cyber Security Protocols**

As an additional service to you, Boulevard Wealth Management, Inc. and its subsidiaries (dba BOULEVARD) may facilitate access, via Internet, to your accounts at TD Ameritrade Institutional, other qualified custodians, or through eMoney Advisor, LLC (aka "MoneyWorks™") – altogether referred to as the "products." When you use the products, you are logging in to proprietary technology of each respective provider. BOULEVARD and its related companies are not affiliated with these providers. When you use the products, the privacy of your personal information is covered by terms of BOULEVARD's Privacy Policy as described above, and by the privacy policies of each respective provider. You may obtain these privacy policies directly from the provider or from your advisory professional.

You are responsible for your own Internet connection, as well as your personal computer's Internet security (firewalls, spyware, virus protection, etc.) when using the products. BOULEVARD cannot be responsible for any unauthorized access to your information if it occurs while you use the products from a computer outside of BOULEVARD advisory network.

In case of a major disruption of our normal business, we have prepared a plan to ensure that we continue to provide you with services. Please review our Business Continuity Plan.
