COMPREHENSIVE SOLUTIONS, SUCCESSFUL OUTCOMES

We understand the difficulties and rejection many cannabis companies face when looking for trusted partners to help their business grow. The ability to plan for the future is important and we believe everyone deserves to be on the right path to financial freedom. These core beliefs are why we created MJ401(k) to help cannabis companies establish compliant 401(k) plans backed by trusted providers dedicated to the industry and partnering with Fiduciary advisors like *Generous Wealth Management.*

WHO IS MJ401(k) & WHY OFFERING COMPREHENSIVE EMPLOYEE BENEFITS MATTERS.

We know that 70% of Americans live paycheck to paycheck and 64% of people can't cover a $1,000 emergency without borrowing.

This reality can have a huge negative effect on the success of your business. So that's why we're here, to not only give your employees peace of mind but to create solutions that will help your business thrive for the future to come.

MJ401(k), powered by ABG Rocky Mountain, was created to focus on your success. We were built upon the belief that everyone should have have the ability to save for retirement and achieve their lifes goals.

Since the beginning, we have supported employers by providing:

- TPA & Recordkeeping services
- Payroll Integration
- Customized Workplace Wellness Programs
- Expertise in designing and customizing retirement plans

WE KNOW THINGS ARE BETTER WHEN WE WORK TOGETHER.

YOUR EXTENDED TEAM

We have partnered with other industry leaders to provide a benefits package that takes care of all of your needs. From retirement plans, to payroll, to talent acquisition, we've got your covered. Your extended team consists of major industry leaders such as Wurk, Greenleaf Business Solutions and now Generous Wealth Management.

ABG MJ401(k)

WE ARE YOUR PEOPLE'S BIGGEST ADVOCATES.

Our goal is that your employees stay on track with their retirement goals so that they can retire on time.

PCS Retirement

1 TPA & RECORDKEEPING SERVICES

It is our goal to ease the responsibility held by advisors to manage and maintain their retirement plan practice.

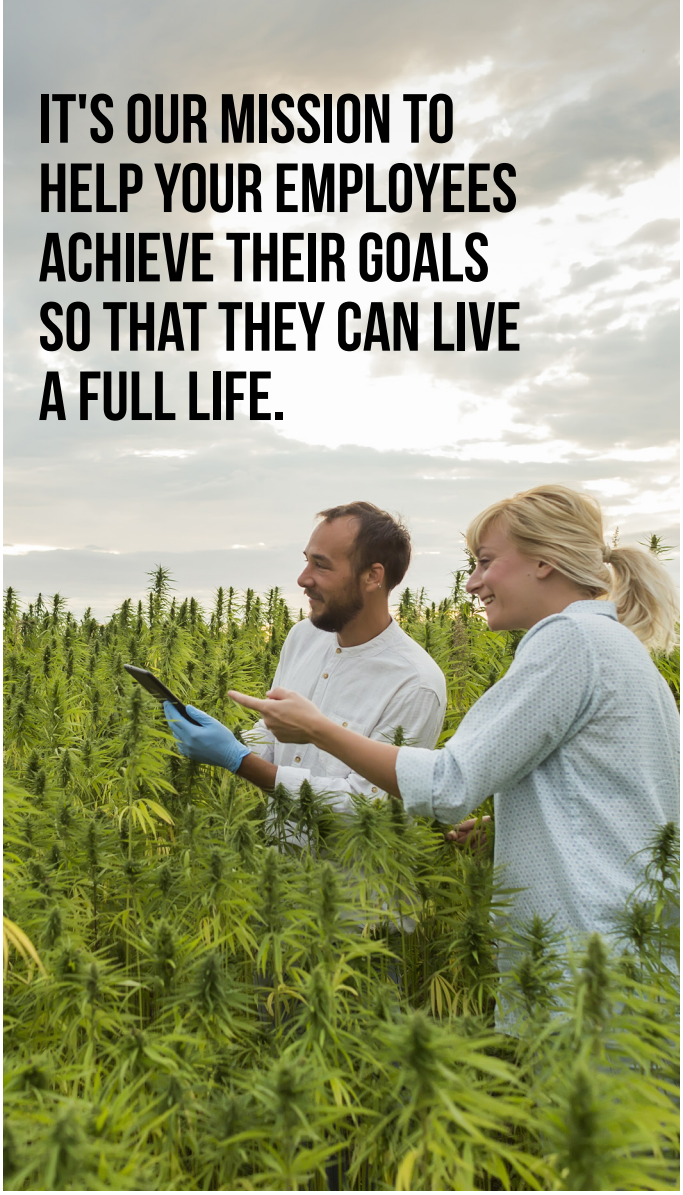
As a TPA, we help you to serve the retirement plan needs of employers and employees. By working with us, you will benefit from a comprehensive package of services that include: Plan Design Consultation, Plan Documents and Maintenance, IRS Form 5500 filing, Non-discrimination testing, ADP/ACP Testing, and Top Heavy Testing.

2 SUPPORTING EMPLOYEE OUTCOMES

We want your employees to achieve their goals. Through our education, technology, and on-going services, we work hard to make their goals a reality.

3 PLAN DESIGN SPECIALISTS

We work with you to create a comprehensive plan that is based off of the unique needs of your business and the unique needs of your team.



SUPPORTING EMPLOYEE OUTCOMES

Research suggests that there are 3 key areas where employees need more support while saving for retirement.

HELP ME PLAN

Your employees can count on us to be there for them every step of the way, from their enrollment and financial education, to providing advice and helping to optimize their customized plans.

HELP ME INVEST

Participants in managed accounts increased their savings rates by an average of 2%, boosting them to 8% of income.

HELP ME STAY ON TRACK

We will provide your employees with the tools needed to support their financial wellness. This includes everything from financial education and financial mastery, to helping employees develop strong financial habits.
