New Five Star Master Builder

PARDEEP'S HISTORY

Joined Manulife: June 1989

I am pleased, honored and humbled to accept this prestigious award – Five Star Master Builder – and to join past recipients who I have long admired and respected. I have faced several challenges on my way here, but each one of them has only strengthened me to make me the person I am today: a thorough professional who knows exactly what he wants, someone who sets his eyes on a goal and does not lose sight of it, unless it is achieved. I feel fortunate to have an opportunity to work in a setting where people care about quality and commitment, and to work with an organization that recognizes and rewards excellence.

Winning this award would not have been possible without the inspiration I have received from my seniors and my colleagues, for whom I have the deepest respect, and from whom I have derived the strength to challenge myself and perform better at each stage. I sincerely thank my team members at Manulife for helping me reach a stage where I can proudly hold up this award as a mark of my achievement. My thanks to Dave Kapil, Five Star Master Builder, for bringing me into this business, being so passionate about setting long term goals to build a successful practice, and for being a friend. Thank you to Lenore Bell, who inspired me to keep pushing ahead and make Five Star Master Builder achievement a realistic goal.

A special thank you to my wife, Kavita, my business partner, whose support, positive attitude, and leadership in running my business efficiently has propelled me to achieve all five stars in the past four years.

Ultimately, I have reached this milestone in my career because of the faith that my clients put in me. Without their trust and loyalty, this would not be a reality today. I know that I will continue to do my best for our clients and experience a huge success.
