

# February Caregiver Workshop Living with Vision Loss

Wednesday, February 10, 2016

10:00 am—11:30 am

Easter Seals  
61 Corporate Circle  
New Castle, DE 19720

Come out to our free workshop to hear from vision loss advocate Phillip Linz! Phillip is the owner of Atlantic Low Vision and will be sharing information about some helpful assistive technology devices for those with low vision.

You will also have the opportunity to explore our Resource and Technology Demonstration Center, home to a variety of assistive technology to support persons with visual limitations at home or work.
